E A B (E)
Here before Your throne of grace
(E) A B (F#m)
Resting here in Your embrace
(F#m) E/G# A (F#m)
My Savior God, my truest Friend
(F#m) E/G# A
Where in the world do I begin?

E/G#- A B E
I'm un - done, I'm speech - less
E/G#- A B
Over - whelmed by You
E/G# A B - C#m
Your love it knows no lim-its
F#m B (A)
And I'm the living proof

Many times I drift away
Still Your faithfulness remains
You made this frozen river flow
And I just want to let You know

A B
Words cannot tell You how much I love You
A^ B
All of the things that You are
F#m E/G#
Lost in an ocean of deepest devotion
A B
Lord You have captured my heart
