

WHEN I WALK WITH YOU (G)

Intro ||: **G..D C..D** :||

(D) **G C**
On this narrow way that I travel on
(C) **G G D**
It's a dusty road and the journey's long
(D) **G C**
But You promised me I am not alone
(C) **G G D**
And You wait for me just to lead me home
(D) **E^m C E^m D^{sus} - D**
Ev'ryday You show me, that I need You only

(D) **G C D E^m**
When I walk with You, when we talk things over
(E^m) **C G D**
When I take the time to listen
(D) **G C D E^m**
With Your gentle voice You draw me closer
C G D
Deeper into the truth
(D) **G (intro)**
When I walk with You

It's a part of life, I will have my trials
But Your love is worth ev'ry lonely mile
As I'm closer now than the day before
To my home eternal forever more
Ev'ryday You show me that I need You only
