With-out You I would have no hope I'd be all a
 With-out You life would make no sense dreams would al-ways

- lone end with - out You With - out
 With - out

You I spring could not be strong I could not go
 You storm would ne-ver

on clear with - out You with - out You
 with - out

Who would I be if You did - n't I - o - ve me

Who would I be with - o - ut You

Who would I be if You did - n't s - a - ve me

who would I be with - out You
